Surrender / Premium Discontinuance / Policy Revival Terms

1. What happens when You surrender the policy?

You can surrender the policy any time during the Policy Term once the policy has acquired a Surrender Value. Your policy will acquire a Surrender Value provided all the due Instalment Premiums for first two (2) Policy Years have been paid under Limited Pay Policies. For Single Pay policies, Surrender Value is available at any time after policy issuance. You can Surrender the Policy any time before the end of Policy Term. The surrender value payable will be higher of the Guaranteed Surrender Value (GSV) and the Special Surrender Value (SSV).

The Special Surrender Value (SSV) is determined by the company from time-to-time basis changing economic scenario. The Company shall revise the SSV factors based on the then prevailing market conditions. Any change in the methodology / formula for calculating the SSV factors shall be subject to IRDAI approval.
